

Gtk.Frame

```
graph BT; A[pycommon.pggui.ScrollListBox] --> B[Gtk.Frame];
```

The diagram illustrates a class inheritance relationship. At the bottom, a gray rectangular box with a black border contains the text 'pycommon.pggui.ScrollListBox'. Two blue curved arrows originate from the top edge of this box and point upwards towards a white rectangular box with a gray border at the top. This white box contains the text 'Gtk.Frame'. The arrows indicate that 'pycommon.pggui.ScrollListBox' inherits from 'Gtk.Frame'.

pycommon.pggui.ScrollListBox
