The diagram illustrates a class inheritance structure. At the bottom, a grey-shaded box represents the base class `pycommon.pggui.SeparatorMenuItem`. Two blue arrows originate from the top of this box and point upwards to two separate white boxes at the top. The left white box contains the text `Gtk::SeparatorMenuItem`, and the right white box contains the text `Gtk.SeparatorMenuItem`. This indicates that the `pycommon.pggui.SeparatorMenuItem` class inherits from or implements both of these parent classes.
